The President of Loyola, The Very Rev. Patrick G. Malone, S.J., has condemned the cartoon which appeared in the November 3, 1969 edition of THE PAPER as having possible racist overtones. "Under no circumstances will Loyola support the practice of racial discrimination," he stated.

The College fully supports the statement issued by the Loyola Evening Students' Association on Monday, November 10 condemning the particular cartoon and apologizing to all students for the publication of such material in a paper associated with the Loyola Evening Students' Association.

The College agrees with the Loyola Evening Students' Association that THE PAPER has proven to be an effective means of communication with Evening students and accepts their decision to permit the distribution of THE PAPER at Loyola as long as it continues to fulfil this role with responsibility.

We recognize the problems created for the Loyola Evening Students' Association as a result of the contractual agreement providing final authority for THE PAPER in the Editor-in-Chief who is not a Loyola student.
